

Different & Equal

“Taking Gender Equality to Local Communities” is a Project which intends to disseminate the promotion of gender equality and gender mainstreaming at local level. The intention is to create awareness about the difficulties and limitations that stereotypes and gender roles create in our every day lives.

These Training courses are aimed to focus on the principle of gender equality and equal opportunities, and equal participation in society by both genders.

Themes that will be covered during the Gender Equality Training Courses

Themes to be covered include:

- Gender and Gender Concepts
- Gender and Family Issues
- Gender and Leisure
- Gender and Education
- Gender and Entrepreneurship
- Gender and Employment
- Gender and Decision-making

Who should attend?

The general public, in particular members of local organisations and people who are active in local communities. Post-secondary and Tertiary Education Students will also find this Training Course of particular interest.
